

6th Szeged Workshop on Educational Evaluation

Theme: Longitudinal Assessments

Call for Participation

April 29-30, 2014

Program Chairs:

Benő Csapó and Mari-Pauliina Vainikainen

The workshop will be organized by researchers of the University of Szeged. It takes place before the 12th Conference on Educational Assessment.

Aims of the workshop

- Bringing together leading researchers from around the world working on similar problems
- Offering an opportunity to discuss key issues in depth
- Strengthening cooperation between individuals and institutions

The main themes of the workshop are

- Research agenda of the participating teams with a focus on longitudinal assessments
- Areas of cooperation
- Current issues in technology-based assessment

Forms of work

- Presentations reviewing large-scale projects in progress
- Short presentations on small-scale projects
- Question and answer sessions
- Small-group consultations

Organizers and host institutions

- Institute of Education, University of Szeged
- Center for Research on Learning and Instruction, University of Szeged
- Graduate School of Educational Sciences, University of Szeged
- MTA-SZTE Research Group on the development of Competencies
- Szeged Branch of the Hungarian Academy of Sciences

Financing the workshop

Registration will be required, but there is no registration fee. The University of Szeged will provide the venue and the organizational work. Participants are expected to take care of their travel and accommodation expenses.

Interested researchers should contact one of the program chairs:

Benő Csapó (University of Szeged) <csapo@edpsy.u-szeged.hu>

Mari-Pauliina Vainikainen (University of Helsinki) <mari-pauliina.vainikainen@helsinki.fi>

Venue: Szeged Branch of the Hungarian Academy of Sciences, Szeged, Somogyi u. 7.

Secretary, registration, information: Judit Baróti <baroti.judit@edu.u-szeged.hu>
